UNITED STATES NATIONAL COMMITTEE
Lester Markel, Chairman, c/o The New York Times

January 15, 1952

Rec'd Jan 18

Dear Colonel Hansen:

Reference is herein made to my letter of December 3rd (with enclosures) to you subsequent to our meeting in Washington.

The Institute is still most anxious for any information that your office might find possible to furnish us with and it is to this end that I am writing you at this time.

I am hoping that a positive reply to our request will be forthcoming.

Yours sincerely,

David I. Goldstein
